Dear Interested Citizen:

Enclosed you will find for your review the Draft Environmental Assessment (EA) for a Montana Fish, Wildlife & Parks (FWP) proposal to implement various site improvement and protection projects at the Little Blackfoot River Fishing Access Site (FAS) near the town of Avon in Powell County. Projects include building a new approach and entrance road, constructing a 10-stall gravel parking lot, and installing a latrine and signage. FWP would re-seed disturbed areas and actively manage the site for noxious weed control under the FWP Region 2 Weed Management Plan.

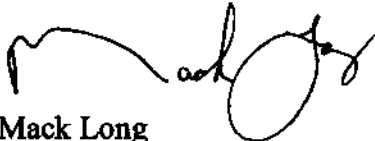

This draft EA is also available for review in Helena at FWP's Headquarters, the State Library and the Environmental Quality Council. You may view the EA at FWP's website

[www.fwp.mt.gov](http://www.fwp.mt.gov) ("Recent Public Notices") or request a copy by mailing FWP, 3201 Spurgin Road, Missoula, MT 59804; phoning 406-542-5540; or emailing [shrose@mt.gov](mailto:shrose@mt.gov).

Comments on this Draft EA must be received no later than 5 p.m., December 11, 2007. Comments should be directed to Lee Bastian by mail at the address above; phone to 406-542-5517; or email to [lbastian@mt.gov](mailto:lbastian@mt.gov), and must be received no later than 5 p.m., December 11, 2007.

As part of the decision making process under MEPA, I will issue the Decision Notice for this EA. Based on the outcome of the Decision Notice, this project proposal would be presented to the Montana Fish, Wildlife & Parks Commission for final action at one of their regularly scheduled meetings.

Sincerely,
